How To Clean Your Home This Spring

- Start room by room
- Tackle on space in one room at a time
- Listen to music or listen to a podcast!
- Before moving onto another space to clean, make sure this first project is finished.
- Reward yourself after your complete cleaning like a new candle!
- Don't try to do too much in one day.

Things To Consider When Cleaning:

- Restock your cleaning supplies
- Vacuum and shampoo rugs
- Dust books and shelves
- Clean upholstered furnishings
- Dust your home thoroughly
- Wax wooden furniture
